

THE BIRTHDAY OF TREES

Tree Shamanic Wisdom

Sunday, January 27, 2019

10 AM to 5 PM (snow date February 3)

At this time of deepest cold and dark, a spark of life is stirring in the roots of trees. Trees know about this hidden "inkling" that precedes all creating, showing us how our inner spark can grow and flourish. Come learn to **access tree wisdom** near the time of an ancient Judaic holiday--*Tu B'Shevat*, the birthday of trees. Gather in our light-filled studio amid fields and forests of Montville. We'll teach you to do shamanic work in the tradition of kabbalah, accessing what is there but often unseen.

- *encounter the guardian spirit of a tree*
- *synchronize your breath with a tree's respiration*
- *get tree teachings about your inner strength through The World Tree*
- *form relationships with tree spirit helpers for power and insight*
- *envision next steps for ourselves and the world*

\$60 - \$100 (less if needed, more if able)
